## TO WHOMSOEVER IT MAY CONCERN

**Batch No: SVT/DAINT/2025/06-B11**

This is to certify that

**Sandleen Sethi**

was employed as a Data Analyst Intern at SoulVibe.Tech for the period from **14 July 2025 to 14 September 2025**.

During this period, the intern was actively involved in and contributed to various data-driven projects, including

- Data Collection, Cleaning, and Structuring
- SQL-Based Query Development and Data Extraction
- Data Visualization and Dashboard Design using Power BI
- Exploratory Data Analysis and Reporting
- Business Insights Generation from Real-World Datasets

The intern consistently demonstrated strong analytical thinking, attention to detail, and a proactive approach to problem-solving. Their ability to transform complex data into meaningful insights and actionable outcomes added significant value to the team's output.

We acknowledge the dedication, discipline, and quality of work exhibited throughout the internship and believe this experience has built a solid foundation for a successful career in data analytics and business intelligence.

We extend our best wishes for a successful journey ahead.
